

MEIZU

by

DANE-ELEC**PORTABLE VIDEO MINI PLAYER****MEIZU BY DANE-ELEC****THE STYLE AND PERFORMANCE LEADER !**

Maximum functionality concentrated in ultra thin and lightweight styling.

"Bursting with great features, the MEIZU by Dane-Elec portable video and music player reads **MP3, DRM 9 and WMA** audio format, **MPEG4*** videos and displays **JPEG, BMP and GIF** photos. Its **2.4" TFT** high definition widescreen LCD offers 262,000 vibrant colors for high quality display of photos and videos. **With its sleek design and compact size**, the MEIZU by Dane-Elec player is not much larger than a business card and measures only 79 mm x 48.2mm x 10mm (H*W*T) for only 55g. In addition to **its attractive design**, it has a **battery life of 20 hours****. Its **intuitive interface and selection button** enables you to **surf easily** from photos to music and videos. The MEIZU by Dane-Elec video player also has **touch pad controls, file browser, in-built microphone, voice recording function, stopwatch, calendar, calculator and games**. Available in three **data storage sizes (1, 2, 4 GB)** and with either a black or white front fascia rather than casing, it will allow you to download many hours of music and videos as well as hundreds of photos. It comes equipped with HQ earphones, a carrying case and a hand strap. Data is loaded via a **USB2.0 port**."

*MPEG4 codec Xvid definition 320x240

**Average observed for audio use
